

Pascal VENNESSON

Pascal Vennesson is professor of political science, chair “Security in Europe”, at the European University Institute, Robert Schuman Center for Advanced Studies. <http://www.eui.eu/SPS/People/Faculty/CurrentProfessors/bioVennesson.shtml>

He has written on military power, defense and foreign policies. He is currently working on the influence of globalization on military power, and on the European Union’s strategy and influence in world politics. He recently published [European Worldviews: Ideas and the EU in World Politics](#), EUI Working Papers-RSCAS N° 2007/07.

He received his Ph.D. in political science from *Sciences-Po* in Paris, France and, from 1993 to 1996, was Post-Doctoral Fellow at Stanford University’s Center for International Security and Arms Control, at the Mershon Center, Ohio State University, and research associate at the Belfer Center for Science and International Affairs, The John F. Kennedy School of Government, Harvard University.

Prof. Vennesson served in the French Ministry of Defense from 1999 to 2003 as Director of the Center for social science studies of defense (*Centre d’études en sciences sociales de la défense-Secrétariat général pour l’administration*) where he was responsible for promoting policy-relevant social science research on defense policy.
