DI TRENTO**

## ***Nuclear Order and International Security After Ukraine***

Andalo (Trento), Italy – 7-14 January 2024

The war in Ukraine has had an enormous impact on global security, reviving nuclear fears, undermining the prospects for arms control, and shattering many of the norms and constraints that were the foundation

of European security. ISODARCO 2024 will examine the global nuclear order in light of the Ukraine war, focusing on the states, the policies, and the technologies that will shape the future in a much more difficult environment.

How will we cope with this more dangerous world?
